

EUROPEAN UNION

NELLY, JONAS, YVES, JAUME, MARTINA

WHY IS EUROPEAN UNION IMPORTANT

- We all live in EU
- We benefit from things that EU does
- It keeps us safe and gives us freedom as for the future and to tell your own opinion
- Political stability
- Increased funding and investment

TRAVELING

- Schengen zone - freedom of moving between EU countries
- Safe, cheap, easy
- More job opportunities for the future

ERASMUS +

- Schools can cooperate and do exchanges
- We can understand and accept diversity
- Study in every other countries in EU with same conditions

TRADE

- Goods can move freely - bigger and cheaper assortment with better quality
- Countries can import goods with lower tariff
- No country has to suffer because of the loss of money and food

COOPERATION

- Countries work together closely
- We don't have to worry about wars that much

WHAT WE WANT TO CHANGE

- Euros in every country
- Decisions take too long
- That the people think more about the future

CONCLUSION

- We learnt about history of Prague
- We practised Spanish & English & Czech
- We learnt about taking care of ourselves
- In future we will communicate better with foreigners
